NEUTRAL ZONE

NEUTRAL ZONE

SAFETY FIRST

The Organizing Committee in agreement with the Prefecture, the Municipality of Demonte, the Race Direction and the site managers along the Colle Fauniera road, decided to neutralize the timing of the first 6.5 km of descent.

The electronic controls positioned at 2481 meters of the Colle Fauniera and further downstream will record the times for the final ranking. The 6.5 km non-timed route is out of the race and must be approached respecting the Rules of the Road (20 km/h). Maximum compliance with the rules is highly recommended.
